Subject: PCBs - Pechiney Update Meeting - February 2014

Hi Carmen,

As a follow-up to our meeting, I thought that it would be good to setup another day in February for us to meet again for update on site progress, results, etc. We could meet at your office, let's say either February 20 or 21st (Thursday or Friday)? Just let us know what works best for you and your schedule.

Thank you, Linda
